Mirror framing systems

style your bathroom, your way

Pivotech mirror frames are available in three styles and several finishes, so you're sure to get the look you love.

attention to detail

Little details make a big difference. Pivotech mirror framing systems gives attention to those little details, ensuring the mirror is finished to the same standard of quality as the rest of the bathroom.

finishes*

Pivotech finishes are made to withstand the rigours of the bathroom to ensure years of beautiful use.

*not all finishes available in all styles, please see your Pivotech installer for details; colours are a representation of the finishes in printed form, actual finishes may vary in appearance

fresh, clean designs

Pivotech mirror framing systems offer a range of lifestyle and interior design benefits. Our mirror frames help highlight a beautiful bathroom, without detracting from the overall decor. Plus, they make cleaning easier and protect fingers from any sharp edges.

Talk to your Pivotech installer about the difference a mirror framing system makes.
